Spectacle of the

Savage Human

Once captured by cannibals, only to escape by a hair's breadth, the Johnsons discovered a tribe of pygmies, watched head-hunters bury their old people alive, looked with civilized eyes upon strange, primitive races for the first time. Through it all they managed to keep their motion picture camera; and the resultant film is the most amazing thing ever exhibited. "Cannibals of the South Seas" is rife with the spirit of adventure, the lure of azure seas and green savage

isles, the undying romance of Conrad, Stevenon and London Also "The Surrender of the German Fleet" First Authentic Pictures of the World's Greatest Historical Event
